

Hi Shore Elim Family,

What an exciting (and busy ☺) week at Shore Elim! Tonight our Book by Book kicks off as we look at how to get the most out of your bible. It's not too late to register – just give us an email or text to let us know you're coming along.

Sunday will be a great opportunity to reach out as Rob Harley challenges us about 'Generosity & Risk Taking'. In the evening our School of Supernatural continues to challenge us to continue Jesus' ministry as we take a look at the gifts of prophecy and words of knowledge.

Jesus had both compassion for the people around Him and passion for the Kingdom of God - compassion and passion will move us to bring change to the people around us. School of Supernatural is a great opportunity to get equipped, to activate the gifts God has placed inside of you, to be a part of bringing the Kingdom and all its power into our community.

May you be a blessing this week Aimee
